odelo Slovenija is the recipient of The Price of the German economy 2016

21.4.2016 – The Slovenian-German Chamber of Commerce together with the German Embassy in Slovenia awarded odelo Slovenija with the prize of the German economy 2016. The ceremony was held as a part of the Days of Slovenian - German economy in Bled.

The award is the first bilateral recognition of the most important technical, entrepreneurial and intellectual innovation of enterprises in Slovenia. The official award ceremony was held on Wednesday, 20. 4. 2016, at the Golf Hotel in Bled.

According to the organizers, the company has convinced the professional jury with the development, lean manufacturing and daring plans. Among the most important reasons for receiving the award were also a high proportion of automated and digitalized production processes already covered by a set of Industry 4.0, process development orientation and the integration of Slovenian sub-suppliers in Germany as well as the high organizational culture of the company.

The award is another confirmation for odelo to be on the right way with the right vision, thanks to the effort of all their employees

About odelo

The odelo Group manufactures rear lights with innovative technologies and sophisticated designs. With customers such as BMW, Audi, Porsche and Daimler, the company is one of the leading automotive suppliers to German premium vehicle manufacturers in this segment. The odelo Group currently has around 1300 employees and achieved a turnover of approximately

200 million euro in 2014. The headquarters of odelo is located in Stuttgart, with production sites in Geislingen and Kamp-Lintfort in Germany as well as in Prebold in Slovenia. Since 2011, the company has been owned by the Turkish Bayraktarlar Group. The Managing Directors of the odelo Group are Ahmet Bayraktar and Muhammet Yildiz.
