odelo laid the foundation stone for a new warehouse in Črešnjevci.

With an official ceremony on Wednesday January 15, the odelo group celebrated the start of the construction of a new warehouse facility in Črešnjevci near Gornja Radgona, measuring 4,100 m². The ceremony was attended by the Mayor of Gornja Radgona, the Head of the administrative unit, Chairman of the executive board of the odelo Group, the odelo Group management and employees of odelo.

At the location in Črešnjevci, the odelo group formally laid the foundation stone for the construction of a new 4.100 m² warehouse. With an investment of around € 2.5 million, they will acquire additional storage facilities for the storage of lights and semi-finished products. The new premises are expected to be put to use in July this year. Mr Ahmet Bayraktar, Chairman of the executive board of odelo Group, said: "I am confident that the construction of the new premises will bring many benefits and opportunities for the further development of odelo."

Since 2016, the odelo plant in Črešnjevci has been manufacturing spare parts for tail lamps and semi-finished products for series production. Currently, 63 employees are working on the assembly, metallization and injection moulding processes.
